THE EDITOR'S DESK

By Dave McChesney

Yes, this is really the editor's desk!

I was quite surprised that no current Inland Northwest Corvair Club members participated in the North Idaho Classics Open Car Show in Post Falls this month. This event was scheduled to replace one we used to attend but disliked how it was now being run. I drove over to visit and support members showing cars and get a few pictures for the newsletter but was disappointed to see none there. Due to a former INCC member and passionate Corvair person, one of Chevrolet's rear-engined air-cooled wonder cars was on display. Thanks, Cody.

Remember, if you have news of an event, or have a Corvair story you'd like to share, send it along, and I'll get it in the next REAR ENGINE REVIEW. Pictures of events or of your Corvair are welcome too. Jpeg format is best, but I can work with anything. **(Articles or columns from club officers are especially welcome... hint! hint!)**

If you have a business, consider an ad in the **Rear Engine Review** for only \$20 a year. While Corvair and automotive related businesses have priority, ads are not limited to these categories

IT'S NEVER TOO LATE!

If you have pictures or other information about Corvair or automotive events from the past, feel free to forward to the editor. He will do his utmost to include them, regardless of how long ago the activity occurred.

CLUB BUSINESS CARDS

Contact INLAND NORTHWEST CORVAIR CLUB Web-master Dave Fender for business cards with the new club logo on them. They have a place where you can add your contact information. I think the small return address labels are small enough to fit in the area provided.

The front of the card looks like this.

TREASURER'S REPORT

Submitted by Dave McChesney

Since our last report, a statement from the credit union revealed a difference of 1¢ in the estimated and actual amount of dividends paid. Thus are current balances are, Checking, \$93.65, Savings \$1168.06 (was shown as \$1168.07), and a total worth of \$1261.71 (was shown to be \$1261.72).

INCC membership is \$15.00 per year. CORSA members pay \$13.00 for INCC membership.

Payment of one year's dues extends membership one year from your current date of expiration or one year from the date payment is received. We will waive payment of back dues, unless you wish to pay them. We simply want those on the roster to be current in their dues.

If you are dropped and want to continue as a member, please contact a club officer and forward your dues. We'd love to have you back with us!

Please send check or money order to:
Inland Northwest Corvair Club
P. O. Box 9689
Spokane, WA 99209-9689

or bring payment to a future club event.

If you no longer wish to be a part of the Inland Northwest Corvair Club, please contact a Club Officer and let him/her know.

The club's Post Office Box is checked weekly and funds received are deposited during the following week.

UP NEXT!!

A Cruise/Drive Around

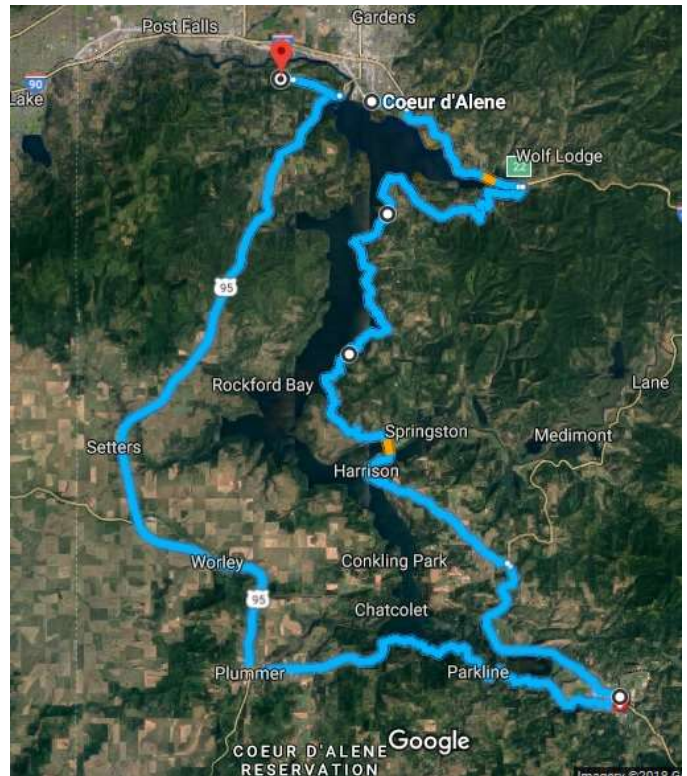

Lake Coeur d'Alene

On Sunday August 5th, we'll meet at Craig's and depart at 10:00 am to drive down the east side of the lake with a stop at the new lodge at Carlin Bay. After lunch in St. Maries we'll return by way of the lake's west side.

Let's plan on a wonderful day with lots of sunshine and plenty of stops.

Directions to Craig's:

From I 90, take Hwy 95 south, cross the Spokane River bridge, and take the second right at Upriver Drive, Go 2.5 miles (no turns; road changes name to Highland Dr.) to 5615 and the Lighted Moose on the right side.

POST FALLS CAR SHOW

On Saturday July 21st North Idaho Classics put on an open car show in Post Falls Idaho. The event took place near the old Greyhound Park, in the parking lot of the Factory Outlet Mall and Tedder Industries. The site was easily reached from Interstate 90 and allowed for easy parking of those coming to view but not participate in the event.

While there had been several events the evening before, your reporter was on scene

during the middle of the day. As noted above, he discovered that getting to the show and finding a place to park was very easy. By the early afternoon there was a good crowd on hand wandering among a variety of vehicles. Some were rare, immaculately restored mechanical creations, and some appeared to be in the show due to owner pride.

Food and drink were available at booths at the west end of the parking lot.

Late model Corvair belonging to Cody Hurley. This was the only Corvair there.

Perhaps the most unusual and imaginative vehicle was this self-propelled manure spreader. It is the creation of an area machine shop.

This 1915 Dodge (if remembered correctly) was described as a "Barn Find!"
